"Love Mary! She is loveable, faithful, constant. She will never let herself be outdone in love, but will ever remain supreme. If you are in danger, she will hasten to free you. If you are troubled, she will console you. If you are sick, she will bring you relief. If you are in need, she will help you. She does not look to see what kind of person you have been. She simply comes to a heart that wants to love her."
