B.R.A.V.E. Monthly

Dear St. Andrew Families,

Principal's CORNER

As we prepare for the birth of Christ, let us look back on all our many blessings. Thank you to all our parent volunteers who worked to make Taste of the Town another huge success! The night went off without a hitch and we had more parent participation than ever. This is due to the hard work of the committee members who spent countless hours organizing and planning the event. So many schools contact me and ask HOW, HOW does Taste of the Town work? It works because of the commitment we have to our school, our mission and our children. I am extremely grateful!

We have many community partners who are enriching the experiences of our students. We are thankful to the Myrtle Beach Police Department, who work with us daily to keep our school safe. We hosted a meeting here on our campus with area principals to open the discussions of communication and preparation in the event of an emergency. Fifth grade enjoyed nine weeks of a D.A.R.E. program and the MBPD hosted two assemblies for our students. We are thankful for their partnership and dedication to our community!

We have many community members helping in our STREAM classes. Our Mock Trial lawyers, Melody Breeden, Ian Maguire, Greg McCollum, John Stewart, and Sam Hodges, have spent countless hours preparing our team. All the hard work shows because once again, our Crusaders advanced to the STATE competition. Our Robotics Club also went to competition and advanced from previous rankings. Thank you to Jerry and Ricky van der Horst, Jacob Oulette and Mrs. Crowl for their commitment to our Robotics Team.

Our Advisory Board, PTO Board, STREAM Leadership Team, Marketing Team, Homeroom moms, Father Morgan and our Faculty and Staff continue to work together to lead our school on the path of excellence. Thank you for all you do to support our school, our students and this community. Help 4 Kids, the Community Kitchen, and Catholic Charities are so grateful for your charity. I'm so blessed to be a part of this amazing community. Now, we will look forward to preparing our hearts for the birth of our Lord.

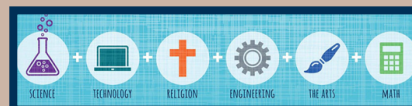

May God Bless us All,
Debbie Wilfong

MOCK TRIAL TEAM IS
GOING TO *States!*

Congrats to our 2019 Mock Trial Team who has qualified to compete in the State Competition in Columbia on December 6 and 7.

WOULD YOU LIKE TO COME SPEAK
ABOUT YOUR STREAM JOB?

Do you work in one of the STREAM fields? We would love for you to come talk to our students about careers in science, technology, religion, engineering, art, or math.

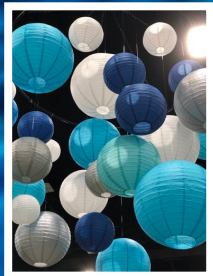

If interested, either call or email Mrs. Wilfong.

For we are God's *masterpiece*. He has created us anew in Christ Jesus,
so we do the good things He planned for us long ago.

Ephesians 2:10

TUESDAY WAS *tastin' GOOD!*

2019 Taste of the Town was a great success! All in attendance enjoyed good food, fellowship, and entertainment by Southern Kind. The TOT planning committee extends a heartfelt thank you to our sponsors, advertisers, and volunteers! We would especially like to thank our parents for their participation this year! More parents volunteered this year than in the past several years. Thank you, parents!

Warmly,
Jenna Cunningham
Development Director

Meet A FEW OF OUR NEW CRUSADER Families ...

The PLAYER Family

Mila, Paris, and Branden (SAS Alumni, Class of 1992)

Branden, Mila (born in Russia) and Paris have a love for adventure and travel. Their passion for travel comes naturally because they are an international family. They have a strong desire to see the world and its different cultures. This sense of adventure has taken them to many new and exciting places around the world.

It was only natural that Paris should follow in her Dad's footsteps by attending St. Andrew. Paris is excited to see her friends and teachers each day and absolutely loves to go to school! She REALLY loves to hear stories about St. Andrew when her Dad was a student and thinks it is so COOL that Mrs. Sedota and Coach Rollings were her Dad's teachers too!

The ADAMS / PRESCOTT Family

Lily, William, Jordan, and Thorn

"We would like to thank everyone for being so welcoming and helping our children transition smoothly into becoming Crusaders this year! Lily and Thorn have attended a small, faith-based school since Pre-K and we are thankful to see them thrive while they continue their education at St. Andrew. Happy Holidays and blessings to all!" - Jordan Adams
