Principal's CORNER

Dear Crusaders,

I can't believe how quickly our first quarter has flown by! As I reflect on the past nine weeks, it warms my heart to recognize the many accomplishments of our students.

Our new students have acclimated so well! It is a pleasure to get to know new families and to welcome them into our fold. Our new teachers and faculty members have worked so hard this first quarter to learn all the procedures at St. Andrew and to fall into a routine. We are grateful for the gifts they share with us!

Our first quarter was filled with many successes of our students. We are so proud of our volleyball players, our Mock Trial team that is preparing diligently for competition, our choir members sharing their voices in Mass, and every child who has worked hard to study and be successful in their classes.

Our STREAM theme for this quarter, Día de los Muertos, has been fun and informative. Students have had the opportunity to research, create, use different talents, and learn a little more about their faith. We will begin our second quarter focusing on the community. What are the needs of our community? We will welcome community members into our school, research and plan special projects. It will be a time to focus on *"service beyond self"* and the important part each of us plays in our community and our world.

It's hard to believe that Thanksgiving and Christmas will be upon us in the blink of an eye. We have many gifts to be thankful for here at St. Andrew. Let us continue to pray for the blessings of our Lord Jesus Christ.

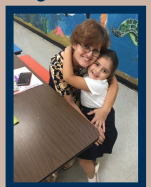

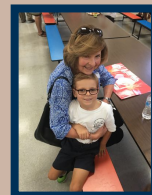

Thank you!
Debbie Wilfong

GIRL'S VOLLEYBALL TEAM

Congrats to our Girl's Volleyball Team who, under the coaching of Dixie Hix (SAS parent for 21 years), had an **UNDEFEATED** season and were the Grand Strand Middle School League *Champions!*

KINDERGARTEN'S Grandparent's Day

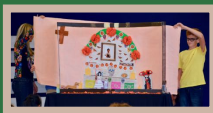

For we are God's *masterpiece*. He has created us anew in Christ Jesus, so we do the good things He planned for us long ago.

St. Andrew's GOLF CHAMP

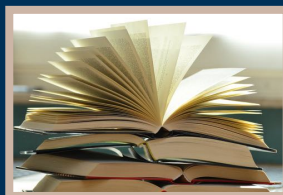

Madison (grade 7) played at the prestigious Stadium Course, where they host the PGA Players Championship, which was a huge accomplishment. At the famous 17th hole, "Island Green", Madison watched 8 adults hit into the water before she got up there and hit it on the green her very first try. It was a special moment that many dream about! Madison finished 3rd in driving and putting and 5th overall. Madison is now one step away from competing at Augusta National Gold Club next April.

Tech TALK

Have you ever wanted to contact the parents of your child's classmates but don't have their information? Did you know you have an online directory within FACTS Family Portal (previously ParentsWeb)? It has a list of all school parents' addresses, phone numbers, and email addresses. You can filter it by grade level to easily access information! There is even a print button so you can print the information and hold onto it.

- Log into FACTS family portal at <https://logins2.renweb.com/logins/ParentsWeb-Login.aspx>
- Open the drop down "School" menu and click "Directory"
- Filter by grade level by clicking "All Grades" drop down menu.
- Don't forget to click "Search" for the system to process your filter request.
- You can also toggle between student and parent information by clicking "Students" or "Parents".
 - "Parents" view is the only way to see the email addresses and cell phone numbers.

If you have any questions, I am happy to help anytime! Just send me an email!
