Principal's CORNER

Dear St. Andrew Families,

Thank you for your enthusiasm and support for our first PTO meeting and Annual School Auction. It was a pleasure to welcome our 2019-2020 PTO Board, *Kevin Black – President, Dennis McHugh – Vice President, Jessie Kohn- Secretary, and Kathy Diehl – Treasurer.* They did a fabulous job in running the meeting and have lots of ideas to support our mission for the school year.

We also welcomed new families, alumni and teachers. Having all gathered in one room is a true testament to the influence St. Andrew Catholic School has had, and continues to have, on our community, our families and our students. We are all part of a beautiful masterpiece!

Uncle Billy was a fun addition to our Annual Auction! Thank you for your warm welcome, all the encouragement and smiles. He loves what he does as an auctioneer and takes seriously the cause he is supporting. He and his wife Nancy were greatly impressed with our school, the respect of our students, and the kindness of our faculty and families. He was happy to be a part of our evening, and I'm pleased to report that \$21,350.00 will be deposited into our Scholarship account! Thank you to everyone for your presence and your support of this worthy cause. This money will help students who would otherwise be unable to receive a Catholic education.

Finally, thank you for the hard work of our homeroom moms and volunteers in 6th, 7th, and 8th grades. Rita Hayek, Natasha Wood, Katie Badgett and Beth Cordell created a beautiful charcuterie board from the generous supplies sent in – a masterpiece in itself! Caryn Coury, Jenna Cunningham and their team, along with Kara Tyndall, created beautiful decorations. We will continue to use these masterpieces in the school all year long!

Thank you again to everyone! Remember, a masterpiece is not just made from God's hard work; it's His BEST work. Thank you for being a part of our *masterpiece* this year!

Welcome to ST. ANDREW

For we are God's *masterpiece*. He has created us anew in Christ Jesus, so we do the good things He planned for us long ago.

Welcome **IRENE NERBONNE**

I'm originally from Connecticut and moved to Myrtle Beach seven years ago due to my husband's job relocation and we love it here! I was an Administrative Assistant for twelve years at my last job before we moved down.

My husband Darren and I will be celebrating our 16th wedding anniversary next month. We have two boys, Austin (14) and Matthew (12).

I love going on walks, baking (nothing too complicated) and the beach of course! I love bike riding, swimming, mini golf and relaxing with my family. I'm looking forward to getting to know the St. Andrew Catholic School Community.

Service BEYOND SELF

St. Andrew Catholic School is proud to partner with the South Carolina Optimist Club and the Children's Cancer Partners of the Carolinas with their Kidz in Lids program.

Kidz in Lids mobilizes students to show concern for other local youth who are in a life or death struggle with cancer.

Throughout the year we will ask students to wear special clothes for \$1.00. All proceeds will go to the Children's Cancer Partners of the Carolinas to help ensure children in the Carolina's can access lifesaving cancer treatments they desperately need.

A childhood cancer diagnosis is crushing for families. One parent leaves work to be a caregiver, so regular bills become hard to pay, not to mention the burden of hospital bills. Pediatric cancer centers are often far away, so travel is costly. Childhood Cancer Partners helps provide these families with much needed funds for transportation, lodging and food associated with lifesaving treatments.

St. Andrew Catholic School is proud to help with this cause and will continue to teach our students the importance of our mission, "service beyond self".
