Principal's CORNER

Dear St. Andrew Families,

Oh my goodness! Who in the world would have imagined the reality we find ourselves in today! I am writing this message on the Feast of the Annunciation, a day I planned to be in Mass with all of you. Instead, I find myself in a world of virtual learning and virtual worship. I ask you all to be **BRAVE!** Weather this storm with us and know that we are here to support you and will continue to give you a quality *Catholic education*.

As I reflect on this time, I know there are silver linings. I hope you are finding some *joy* in staying home with your children. This is a time you will never recapture and it will be in your child's memory bank forever. Make the most of it! Have dinners together, ride your bikes together, go for a walk or a run, watch classroom videos, and most of all, take precious moments to *pray*. Relish in the fact that you are not hurrying to the next activity, make the most of your moments together, because in the end, it really is about what we make of it and the memories we create.

When the time comes that we can be together again, I hope we remember the pain of being separated. I pray the lesson is that we become more present for one another when we are together, that we put our devices down and listen, and that we become more respectful and more in-tune with those who love us and guide us. When the social interaction that we crave is taken from us, it reminds us to value it when together.

Finally, take this opportunity to explore your faith. I certainly feel like I'm in a tomb! I miss Mass so much and I miss the fulfillment of the Eucharist. I admonish myself for the times I took this for granted and look forward to the day when I can truly *adore our Lord* and be fulfilled by the Eucharist again.

So, let's look to the future with enthusiasm. Let's continue to support one another and weather the storm together. Let's be positive about the lessons learned. Be **BRAVE** Crusaders! We look forward to the day we will meet again!

May God bless us all,
Debbie Wilfong
