

MIDDLE SCHOOL SUMMER READING for rising 7th and 8th graders

You will find your required summer reading list below. You must choose ONE book from the appropriate list, read it, and complete the attached book report form on that book. Also, be prepared to complete a quiz (August 19th) and to create an in-class project assignment on your summer book-of-choice when you return to school. Feel free to email me with any questions or concerns: tsauvageau@standrewschoolmb.org. Have a safe summer vacation!

God bless you,

—Ms. Sauvageau
