- **Treat Reminder:** This year, due to Covid, we have discouraged birthday treats unless they are individually wrapped. Normally, for a child's birthday, suitable items include: cookies, donut holes, donuts, fresh fruit, or mini brownies. Frozen items are discouraged because the kitchen has limited freezer space. **Please, no cupcakes or cakes** or large items that must be cut into individual pieces. *New this year, children may dress down on their birthday ... what a fun treat!*

Do not lose courage in considering your own imperfections,
but instantly set about remedying them, every day begin the task anew."
