Normally, for a child's birthday, suitable items include: cookies, donut holes, donuts, fresh fruit, or mini brownies. Frozen items are discouraged because the kitchen has limited freezer space. **Please, no cupcakes or cakes** or large items that must be cut into individual pieces. *New this year, children may dress down on their birthday ... what a fun treat!*

"And over all these put on love, that is, the bond of perfection. And let the peace of Christ control your hearts, the peace into which you were also called in one body. And be thankful."
