It is a must watch for anyone who wants to better understand today's generation of kids. Also, take a look at the book **Parenting in a Tech World**, written by two Bark team members. Coats will be delivered in January, once we return from Christmas break.
- **Virtual School:** If your child is absent, please email the office and copy your teacher(s) by 9:00am. For the first day, have your student check into Google Classrooms for assignments. If you anticipate the absence to be lengthy, begin live-streaming on day two. You may need that first day of absence to come pick up supplies, let your child recover, and the teachers can use that first day to prepare for the live-stream. Please remember that virtual school is meant for students who will be out of school due to prolonged absences. If you find your child will be absent for more than one week, the information for live-streaming can be found in your child's Google Classroom Homeroom for grades K-5. Middle School students will find their Zoom links in the individual classes. If you have issues coming into the classroom, please call or email the office or Mrs. Lewis, and we will check the problem on our end. PLEASE REFER TO THE POLICY EMAILED HOME AND ADDED AS AN ADDENDUM TO OUR HANDBOOK.
