

7TH & 8TH GRADE SUMMER READING

Please find your required summer reading list below. You must choose *ONE* book from the appropriate list, read it, and complete the attached book report form on that book. Also, be prepared to complete a quiz and to create an in-class project assignment on your summer book-of-choice when you return to school in August. Feel free to email me with any questions or concerns: tsauvageau@standrewschoolmb.org. Have a safe summer vacation!

God bless you,
