- **NO Mass Wednesday: Fortitude** is our virtue for March. Enjoy the attached information about our featured virtue, Magnanimity. We continue our Lenten journey of 40 days of fasting, almsgiving, and prayer. Each class is adopting a charity and has a jar decorated by middle school houses to collect loose change *earned by students*. Please consider supporting our cause. Middle school houses have also created Lenten prayer chains and booklets for students to use throughout Lent. **Next week Mass is will be held on Wednesday as usual!**
- **2025-2026 School Year:** Enroll now to secure your spot! Most grades have waitlists! No money will be drafted until April 28. **The deadline to enroll is March 28. We will begin inviting students on our waitlist after this date.**

- **Let Grow:** This month, your child will choose a project that has them “spreading their wings” by extending or building upon what they tried out in their first project. Find materials in the Crusaders Google Classroom.
- **Reminder from Nurse Leslie:** When your child will be tardy, absent, or leaving early, please email the teacher(s) and [office@standrewschoolmb.org](mailto:office@standrewschoolmb.org).
- **Summer Camps at St. Andrew went home last week, and even more this week!** *Be sure to sign up before camps fill up! Please note:* All camps are independently run using our facilities and the St. Andrew office is not responsible for payments. Please see individual flyers for more information.
- **Technology Tidbit:** Active listening is an important skill for all of us to practice, especially when screens are in the mix. For younger kids, remind them that when they're using a device, it's important to pay attention when someone is talking to them. You can [practice with your child, based on this activity](#). For older kids, you can also discuss the difference between talking in person and communicating online. Using role-playing and [activities](#) can reinforce why body language, eye contact, and tone of voice can help us understand how someone feels in a way that letters on a screen aren't always able to do. That means we have to be extra clear (and kind) when we chat online.
