- **Join the Fun in a Board Gaming Club!** Do you love games and having fun? Are you ready to unplug from video games? Beginning November 7, join Mrs. Schmitz in the Art Room for our 7th and 8th grade Board Gaming Club! See the flyer in your Tuesday Folder to sign up.

- **Tips from Nurse Leslie:** Often students come to the nurse's office after morning snack and complain of stomach aches. Many times, it seems that the children have eaten popcorn or raw vegetables for morning snack. Perhaps easier to digest snacks would prevent stomach aches. Our goal is to keep your child healthy and in class!
- **Thinking of gifting a phone for Christmas?** St. Andrew suggests **The Bark Phone for Kids**. Does your student already have a device, but you need help monitoring it? We suggest the **Bark App**. In need of a home internet filter? The **Bark Home** filter is the way to go! In this digital age, it is so important to monitor your children and their internet usage. Bark makes it easy!
