Dear Parents:

State health officials have reported that our state will hit the peak of COVID-19 at the beginning of May. Based on this news and because we are committed to safeguarding the health of our Catholic school community, we have decided to suspend in-person classes until the end of May with the option to open the first week of June. The option to open the first of June will be based upon the health conditions in our local area.

We will be creative in May! We will come together to find ways to offer our special celebrations. We have much to celebrate and we will work our hardest to bring our community together to celebrate our students and the fun May activities in a virtual way.

Thank you for all you have done and will do to assist our child(ren) to further their education during these challenging times. Thank you for your hard work and dedication. Please work with me to continue to keep our lines of communication open.

You and your family will remain in my prayers.

God Bless,

Debbie Wilfong
